Work Experience

Salesforce Commerce Cloud (SFCC) & Shopify Consultant August 2024 — Present

WISEO

- Participate in the development, maintenance and customization of eCommerce solutions using Salesforce Commerce Cloud, working with Apex, JavaScript, HTML, CSS, and more.
- Built two fully functional demo stores to showcase capabilities to potential clients using Shopify.
- Performed tests with the QA team on new features to ensure cross-browser compatibility, device responsiveness and proper functionality.
- Develop and enhance eCommerce user experiences by creating custom Shopify sections and components using Liquid and JavaScript.

Technical Support July 2023 — April 2024

Tecklas SRL

- Maintained, identified, and resolved bugs across the systems.
- Designed and developed software solutions according to client requirements using C#, .NET, JavaScript, Vue.js, and more.
- Assisted in the translation of the system interface and content into English to improve accessibility for international users.
- Monitored web applications and identified potential issues.

Math Monitor September 2021 — August 2022

Universidad Iberoamericana (UNIBE)

- Provided one-on-one and small group tutoring for students in math/calculus.
- Monitored student performance and provided feedback.
- Helped students with their math assignments.

Certifications

- Shopify Development Fundamentals - Shopify
- Responsive Web Design Certification - FreeCodeCamp
- Legacy JavaScript Algorithms and Data Structures - FreeCodeCamp
